# Sound Language Solutions

A Systematic Approach to Error Prevention and Correction

A Canadian company responding to  
the needs of language educators  
through innovation and research

- ✓ Supporting all French programs:
  - Foreign Language: Elementary and Secondary
  - French Second Language: Immersion, Extended and Core
  - French First Language: in certain contexts
- ✓ Providing quality resources that have been specifically designed for FSL learners: CD, Teacher's Guide, 8 Posters and 240 laminated language cards
- ✓ Motivating and empowering students to learn French through music, active engagement and performance
- ✓ Promoting the use of French in the school, the home and the community
